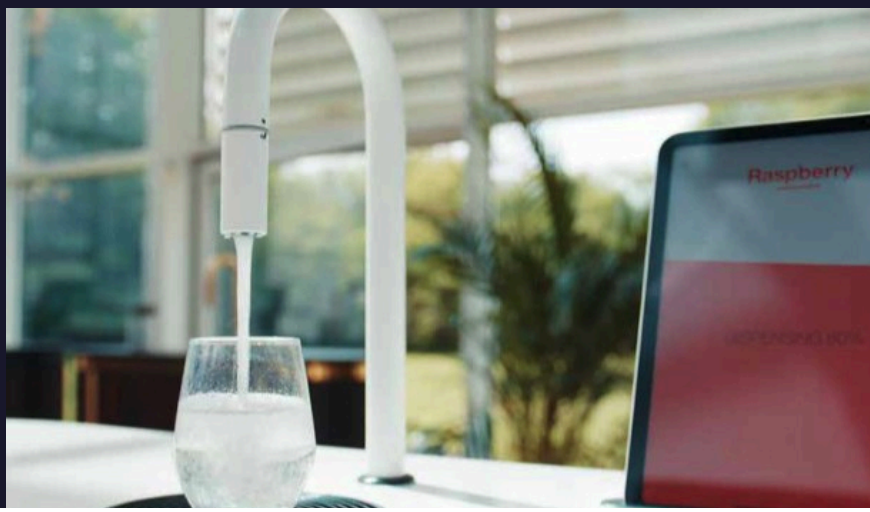
TopHealth

Wellbeing on tap: the first fully customizable functional drink system.

MSRP FROM **$7,900**

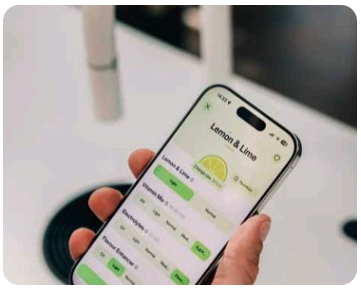


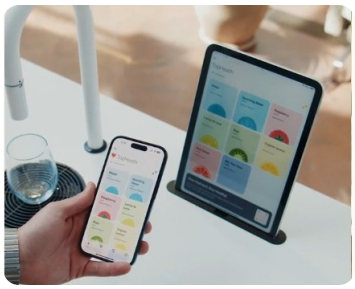
With TopHealth, everyone builds their own drink. Choose ice-cold, sparkling or ambient filtered water, add a natural flavor, then boost it with electrolytes or vitamins, precisely dosed right from the tap. The companion app tracks hydration and remembers favorite drinks.

60 L
of chilled, flavored water per hour

5 + 3
natural flavors plus functional enhancers

1000s
of single-use bottles replaced each year





Why customers choose TopHealth

- **Natural flavors** — Lemon, Lemon & Lime, Raspberry, Pink Grapefruit and Bright Ginger.
- **Functional enhancers** — Electrolytes (magnesium, potassium, calcium), Vitamin Mix (B-complex + C) and a sugar-free Flavor Boost.
- **Your drink, your way** — Adjust flavor intensity and boosts by the glass on the iPad or a personal phone.
- **Hydration tracking** — The TopHealth app suggests drinks, sends reminders and tracks hydration goals.
- **Always improving** — Over-the-air software updates keep the system current.
- **Eco-friendly** — Ultra-concentrated, recyclable pouches yield hundreds of servings each.
